CBF-1001

- Maximum flow: 10L / min
- Automatic ignition
- Water flow of 25 ° : 10 L /min
- Safe water pressure of : 0.025-0.5 Mpa
- Gas type : • Available in natural gas or butane
- Gas pressure : 28-30 mb / gaz naturel
- Nominal heat input : 20Kw
- Work indicator : 3 light warning
- Safety device against overheat
- Gas entry diameter ½
- Water entry diameter ½
- Water flow adjustment
- Gaz flow adjustment
- Stainless Steel Burner
- Energy saving because of automatic ignition
- Optimal comfort because of heat outbreak starting from 0.1 bar
- Easy to regulate temperature
- 1 year guarantee
